FCC MAIL ROOM

PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 254A at Hebbronville, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 254A to Hebbronville, Texas, as that community's first competing commercial FM service. Hebbronville is a Census Designated Place (CDP) with a population of 4,098 people as of January 1, 1998 according to the Texas State Data Center. As of March 1999, 210 business establishments in Hebbronville had been given a credit rating by Dun & Bradstreet. Hebbronville has its own city commissioner, Oscar Gonzalez, its own post office, its own school system, its own volunteer fire department and a number of local churches.
